

PhotoTWENS, the annual contest dedicated to support a new generation of photographers

PhotoTWENS 2023 - 11th edition

Photography exhibition - entry & selection process

Leuven, March 21 2023.

Dear photographer,

UNEXPOSED, with the support of the City of Leuven, will be hosting the eleventh edition of the PhotoTWENS photography exhibition at the Romaanse Poort Cultural Centre from 8 up to and including 24 September 2023.

For the PhotoTWENS 2023 edition we are looking for photographic work by photographers from the age of 20 but under the age of 30 years. More specifically, we are looking for a coherent series of 3 to 5 photographs on a theme of your choice. If you would like to take part in this selection process, kindly send your digital portfolio to info@unexposed.eu by **31 May 2023** at the latest.

For your convenience, we send you herewith enclosed the conditions for participation, including the application form which must be completed in full.

An independent jury will make a selection from the photo series submitted. The PhotoTWENS 2023 jury will seat **Arian Christiaens** (photographer/teacher), **Kaat Pype** (conceptual artist) and **Pieter T'Jonck** (Engineer architect and art critic).

You can check out the catalogue of the past editions online via <http://www.unexposed.eu>

We thank you for your interest and wish you every success with your entry.

Yours sincerely,

Pol Leemans
